SILVER - SS FLAT HEALDS

IT'S A REVOLUTIONARY PRODUCT!

ARROW HEAD SS FLAT HEALDS

As Gryay Textile, we are pleased to present the world's highest quality steel healds to fabric manufacturers.

In the production of velvet fabrics, light weight carpet and prayer rug, we recommend Gryay Silver Steel. Flat Healds to the manufacturers who want high quality and high efficiency and continuous production.

Each handmade, individually manufactured stainless steel flat wires are now much more robust for lancet abrasions.

The logo for GÜRACC is displayed in a bold, white, sans-serif font. The letters are arranged in two rows: the top row contains 'GÜRACC' and the bottom row contains 'GÜRACC' with a reflection effect. The logo is set against a solid blue background that is part of a larger blue rounded rectangle.

"A chain is as strong as its weakest link."

This also applies to jacquard equipment.

Weaving has provide by many different parts that connect each other from top to bottom in jacquard harnesses.

If We do not provide the quality in all of these equipments which work together, module ropes to pulley systems, comber board, harness cord and fiber boards, It doesn't matter if we give the world's best quality healds and springs.

We produce jacquard accessories with this awareness.
